## EDUCATION

### Galgotias University

B.Tech. Computer Science with specialization

in Data Analytics

Cumulated GPA: 7.55 /10

Greater Noida , UP

May 2021 - September 2017

### Pt. Deen Dayal Upadhyaya Sanatan Dharma Vidyalaya

XII - Science

Percentage - 74

Kanpur , UP

March 2016

## ACHIEVEMENTS/CERTIFICATION

---

[Neural Network and Deep Learning by deeplearning.ai](#)

March 2020

Getting Started With AI On Jetson Nano By NVIDIA

November 2019

AI From the Data Center to the Edge By IntelAI

December 2019

[Responsive Web Design By freeCodeCamp.org](#)

January 2020

[Blockchain Essentials By IBM Cognitive Class](#)

November 2019

Microsoft Student Partner 2021

January 2020

Secure 5<sup>th</sup> rank in NASA International Space App Challenge

September 2019

Winner of Dextrix 2.0 Hackathon

October 2019

## PROFESSIONAL EXPERIENCE

### Anti Corona Task Force

June 2020 - July 2020

Web Developer Intern

- Design the architecture for the database.
- Architect and implement the back-end and front-end of the project.
